Brief Report	<p>Our last year students participated in seminar. They prepared own PPT. Seminar creates interest in student understanding by means of better teaching aids compare to normal classroom chalk and board/talk session. Seminar plays vital role in business as well educational fields to grasp subject inside. Discussing about the relevant topics of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject. To encourage students to explore the connection between university study and life enrichment, lifelong learning, and civic responsibility. To promote respect for diversity issues and concepts. Taking part in a seminar might help students discover answers to common problems. Participants at seminar may share their thoughts and ideas to get a fresh perspective on the subject. It is possible that listening to other people's ideas can aid students in coming up with fresh ideas for their study</p>
