The main purpose of the visit was to make students aware about what actually a bank is. Where we deposit our money and how to withdraw cash from the bank. Students took the full visit of the SBI along with Branch Head. All the members from the bank happily welcomed the students and cooperated with the teachers while visiting their bank. The objective of this activity was to create awareness and educate students on access to financial services (banking), availability of various types of services and their features and to make students understand their rights and responsibilities as customers of financial services. Visit to the bank was a great experience for my students to learn many new and different things about the functioning of the banks. Thanks to Principal Dr. S. D.
